Boarders' Formal Dinner

A huge thankyou to all our boarders, boarding staff and to the wonderful special guests who attended last night's boarding Formal Dinner in the Mercy Centre Hall.

The evening was based around a theme of "All Creatures Great and Small" to fit in with our guest speaker – Miss Samantha Creed College and Boarding Graduate 2020, currently in 4th year Veterinary Science Degree. Thankyou so much Samantha for your wonderful insights and encouragement of our boarders to never stop pursuing their passions and to seize every opportunity presented to them.

Thankyou also to Mr Egan & Mr Kelso for speaking at the dinner and offering their insights and wisdom to our boarders. Your words and encouragement were very appreciated. Finally, we would like to thank you to all staff involved in preparing for the night and our catering team for the wonderful meals!

We wish to also thank parents who sent in the photos of your fantastic family pets, the boarders were really delighted to see them all during the night and eager to see theirs pop up on screen. The table centre pieces also featured for all being a large glass vase with a water plant and small goldfish to entertain those at each table. The fish captured the hearts of the boarders and staff so much so that we must apologise if this has promoted the desire for an aquarium at home or at boarding.

Mr Baynton and Miss Abernethy have captured many beautiful photos throughout the night and is busily working on them all. We will be publishing a big section in the next edition for you all to see.

to be continued..
