TCC AgConnect students have been engaging in a fantastic variety of activities in the last few weeks. Coordinator, Mrs Sarah Coombs is featured in this week's TCC News and outlines the purpose of TCC AgConnect Program. Below, our students are captured at some of these events which includes; Visit to CQLX Cattle Sales, a visit from Hall's Transport to demonstrate how to effectively load and unload livestock, Spaying and Pregnancy Testing Livestock and regular visits on Monday's to Hasting's Yards own by the Coombs Family. Students have been extremely engaged in these activities and are always looking forward to what each new week brings.
