

# CURRENT STUDENT

## Opportunities

## WORK EXPERIENCE

The next opportunity for students to undertake work experience will be the September school holidays. Reminder that work experience forms should be returned to the Careers Office by Week 7.

### Energy Queensland Work Experience

Energy Queensland (Ergon Energy Network and Energex) offer work experience placements for high school students currently in Years 10, 11 or 12, or students completing a relevant course through TAFE. The next application period will open 29 July for work experience placement period from 1 October 2023 to 31 January 2025.

### Year 10 students

Students who are looking at completing a TAFE Certificate course in 2025 are reminded that the expectation is that the student would have completed some work experience in their selected field prior to enrolment.

### High School Health Adventure – Mater Brisbane

Are you a Year 10, 11 or 12 students interested in a career in healthcare? Mater Education's High School Health Adventure program is a two-day course is delivered using simulation, small group activities, skills stations, panel Q&A with graduate health professionals and a small Education Fair to highlight educational pathways and requirements to a career in healthcare. Cost is \$450. Further information can be obtained at [High School Health Adventure | Mater Education](#)

### Defence Work Experience Program

The Defence Work Experience Program (DWEP) is a national Youth Program that provides individuals with an interest in a Defence career, the opportunity to gain exposure to a range of roles available. If you are interested in a career with the ADF, please check out the [DWEP website](#). Applications must also be lodged on the DWEP website.
