Opportunities

GOOD NEWS

On Friday evening, Year 11 student Holly Atkinson was a finalist in the Awesome Women in Construction awards in the Young Leader 15-19 years division. Holly is a school-based apprentice in Cabinetmaking and has shown great tenacity in securing the apprenticeship and then working in a workshop where she is the only female. All while maintaining excellence in her school studies. We are happy to announce that Holly won her division. Congratulations Holly on this amazing achievement.

WORK EXPERIENCE

Please return work experience forms to the Careers Office by Week 7 of each term. Returning them after this time may result in processing delays, and we cannot guarantee timely completion. Additionally, please note that work experience cannot be arranged during the school office closure, which begins on 16 December.

NOTE: Year 12 students who wish to do work experience in between Week 4-7 of Term 4, will need to have placement forms back by Week 2.

High School Health Adventure – Mater Brisbane

Are you a Year 10, 11 or 12 students interested in a career in healthcare? Mater Education's High School Health Adventure program is a two-day course is delivered using simulation, small group activities, skills stations, panel Q&A with graduate health professionals and a small Education Fair to highlight educational pathways and requirements to a career in healthcare. Cost is \$450. Further information can be obtained at [High School Health Adventure | Mater Education](#)

Traineeship – Trainee Soil and Concrete Testing Technicians

Construction Sciences is Australia's leading construction materials testing organization, providing essential support for infrastructure projects across Australia and New Zealand. You'll be testing soil and concrete samples, operating testing instruments, and handling materials.

What we're looking for:

- ideal for early-career individuals, though open to all ages
- team players with a strong work ethic
- current Australian Driver's Licence (Manual preferred)
- White Card (or willingness to obtain one).

Apply via [Trainee Soil and Concrete Testing Technicians Job in Parkhurst, Rockhampton & Capricorn Coast QLD - SEEK](#)

Traineeship – Accountant

Griffin Hancock & Moffitt has a position available for a Year 12 school leaver as a trainee/entry level Accountant right now.

The position is fulltime, with studying part time. The successful applicant will be working 4 days a week during university semesters, with Friday's off to complete their studies, assessments etc. GHM assist with mentoring not only for the position but all aspects including University course structure and subject selection. Please see attached flyer for more information and their website [Accountants Rockhampton - Griffin Hancock & Moffitt \(rockhamptonaccountants.com.au\)](http://rockhamptonaccountants.com.au)

Any students interested in commencing their accounting career at GHM, please have them submit their resume, cover letter and their most recent school results to dwessling@ghm.com.au. Should you or the student require any further details please call Debbie Wessling on 49260122.

Apprenticeship – Painting

A local employer is looking for an apprentice to join their team right now!

No prior experience is required; however, this type of work will suit someone who has an eye for detail, enjoys working indoors and outdoors, and gets satisfaction from seeing the finished outcome of their hard work.

Due to the mobile nature of the trade industry and large area region this Rockhampton employer covers, a Drivers Licence and vehicle is preferred. There may be consideration if you're

on the pathway to getting your licence, but you will be committed to independently getting yourself to and from work each day.

What's required:

- Availability for a work trial ASAP, with the successful candidate offered an apprenticeship
- White Card (or ability to gain one ASAP – Inscope Training can assist with this!)
- A great attitude and respectful communication
- An enthusiasm to learn and be taught the trade craft
- Reliable, prepared to work, and committed to gaining your qualification and securing a fantastic career pathway

Apply by sending your resume and your reasons for wanting a painting pathway to tammy.h@inscope.edue.au or calling Tammy on 0447 472 698 if you have any questions.
