

CURRENT STUDENT

Opportunities

WORK EXPERIENCE

Work experience application for Term 2 holidays is now closed.

First Aid Certificate Course

Payment for the First Aid course is required by 7 June 2024.

White Card Course

Any students interested in obtaining their white card are to contact the Careers Office.

Year 10 students

In Term 3 Year 10 students will be completing their SET plans which includes their Year 11 subject selections. Any students who require help can meet with Careers Staff and Year 10 Co-ordinator on Monday and Tuesday Week 9 during lunch.

Students who are looking at completing a TAFE Certificate course in 2025 are reminded that the expectation is that the student would have completed some work experience in their selected field prior to enrolment. As well as the school holidays, Year 10 students will also be able to undertake work experience on 19-21 June.

Capricorn Caves

Students interested in undertaking work experience at the Capricorn Caves can collect an information and application form from the Careers Office.

High School Health Adventure – Mater Brisbane

Are you a Year 10, 11 or 12 students interested in a career in healthcare? Mater Education's High School Health Adventure program is for you! This is a two-day course is delivered using simulation, small group activities, skills stations, panel Q&A with graduate health professionals and a small Education Fair to highlight educational pathways and requirements to a career in healthcare. Cost is \$450. Further information can be obtained at [High School Health Adventure | Mater Education](#)

Defence Work Experience Program

SCHOOL BASED APPRENTICESHIP/TRAINEESHIP

School Based Apprenticeship

CPC30216 Cert III in Signs and Graphics

Sign writing is a dynamic vocation where everyday is different.

What we do:

- Vehicle wrapping
- Sign fabrication
- 3D signage
- Digital signage
- Illuminated signage
- Vinyl sign manufacture
- Installation of window graphics
- Use of industrial printers and cutters
- Install a variety of signs
- Digital design and layouts
- Communicate with clients
- Interpret architects drawings
- Use of elevated work platforms
- Work site health and safety

Are you a problem solver?
Do you have an eye for detail?
Are you creative?
Are you confident using power tools?
Are you strong and comfortable lifting relatively heavy loads?
Are you comfortable working at height?
Are you willing to work hard?
Are you open to learning new things?

Sound like something you might be interested in?
Then we would love to hear from you;
give us a call on 4927 0266
