## Assessment Details

**Assessment Technique + Instrument Number:**

**Assessment Objective/s to be Regraded:**

Refer to ISMG or Criteria Sheet. An explanation must be included of where the student believes they have demonstrated at a higher level. (E.g. B Level, Evaluation - evidence of effective use of criteria to make a perceptive judgement. See paragraphs 4 and 5. A Level, Skills - purposeful analysis of supporting evidence and implied meaning to explain issues and ideas in the text. See paragraphs 2 and 3.)

**PLEASE NOTE:**

The regraded result is the final result the student will be awarded. If this is higher or lower than the original result, the regraded result stands. Allow 10 teaching days from receipt of this application for this process to be finalised.

A student is permitted to challenge their grade a maximum of three (3) times per academic year across all subjects.
